Letter from Mossy Dale.

Rumor has it that Mossy Dale has been "kinder sick." He ordered some gin not so long ago, imbibed too freely, went down on the branch, got frightened and ran into a barb wire fence. Beckham says he saw him shortly after he reached home and his trousers looked like a skirt. There has been quite a lot of sickness in our community. I think Dr. Hamilton keeps them sick on okra seed and talcum powder. Some say that is what ails "ole Mossy Dale." He picked up the okra seed and talcum powder that Dr. Hamilton lost and tried to save a doctor bill and the okra seed he took have sprouted. Think there is no relief for him until after the plants get up. Then he won't require any food as he will be "in the soup."

Mr. E. B. and J. M. Mason sold their cotton this week, getting 20 1-3 cents per pound.

Mr. E. B. Mason has about 30 acres of land he is generously offering to some man to plant food crops on. Here is a chance for some man to get a good job farming. Mr. C. E. Leitner of Marion S. C., and Mr. Claude Leitner of Boston Mass., spent several days with Mr. C. H. Leitner last week.

The Bethel parsonage is beginning to look real home like. Mr. Brice has done some fine work here in remodeling it.

Come again Mossy, we are always sorry to miss your pieces in the Herald.
